

## **Escape Surf School Environmental Policy**

Escape Surf School is committed to minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source an equipment range to minimise the environmental impact of both production and distribution.
- Ensure that all waste materials from equipment are recycled or reused where possible
- integrate the consideration of environmental concerns and impacts into our decision making and activities
- Train, educate and inform our employees about environmental issues that may affect their work
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner
- Communicate our environmental commitment to clients, customers and the public and encourage them to support it
- Meet or exceed all the environmental legislation that relates to the Company.
